

PLAY BALL!

The Somers Little League is planning for another exciting season of baseball in 2008. This year marks our forty fifth year of operation providing the opportunity for over 250 children ranging in age from 5 to 16 to learn and participate in the game of baseball. We are very fortunate to have a group of dedicated volunteers that provide many hours of time, knowledge and financial support for our players. All of these contributions not only help to operate our program, but more importantly, help to instill in our players the lifelong values of teamwork, good sportsmanship and service to their community.

Your sponsorship is an extremely important part of our program. The largest annual expenditures we incur are for uniforms, equipment and field maintenance. Your financial contribution will insure that we are able to provide the safest and highest quality program for our ballplayers.

We ask you to continue to pledge your support for the upcoming season by choosing one of the options provided on the sponsor sheet attached. Please do not hesitate to contact me if you have any questions. On behalf of our players, thank you in advance for your generous support.

Sincerely,

John Taylor
President
